## Summer

Art in the Park has been a long standing tradition for Juab County residents for years. As one of the many events sponsored by the

Juab Fine Arts Council, it has evolved and changed each year to provide summer fun for the whole family. It features free crafts and games for children, food concessions, entertainment and a sneak peak at the summer's Kids Act Up Theater Camp production and is free to the public. For details visit our website in Late May/Early June.

## Christmas Festival Sat. after Thanksgiving

The Juab Fine Arts Council's Christmas Festival has a tradition of kicking off the holiday season with Santa Clause himself! Our wonderful Nephi City Fire Department will make sure Santa arrives safely at Noon by Firetruck and he always has plenty of treats for the kids. Children stay busy making free crafts while parents keep their place in line to see Santa. Also, for a small \$2 fee, pictures with Santa are available or the children can receive a letter from Santa straight from the North Pole! Children may also bring their letters to Santa to place in the "magic" mailbox for free. The entire community is invited to join the tradition the Saturday following Thanksgiving in November in the Juab County Auditorium. For details visit our website in Early November.

The JFAC is a **100% volunteer organization** whose mission is "to promote cultural growth and experiences in Juab County through all forms of fine art." We do this by assisting artists, arts organizations, and groups with arts-oriented projects and events.

We produce 10 quality events throughout the year and **patron support is critical in maintaining these great programs for our community.** For this reason, we hope you will show your support today.

Thank you, The Juab Fine Arts Council
